The USU Youth Conservatory is excited about bringing you a Monster Concert like never before...to your very own living room! Don't miss your chance to see kids from all around the map come together (in costume!) to create a special Halloween piano concert extravaganza. Grab the remote, pop some popcorn, and have fun enjoying the show with your family in the comfort of your own home!

If you enjoyed the show, consider making a donation. Even a small amount makes a big difference!
